

Old way

(Tried and true)

New way

(50% lighter than the old way)

Free way

(Even lighter ... and you get this
\$400 low speed handpiece FREE*!)

For a limited time, we are giving away our new ēsamate low speed handpiece (a \$400 value) FREE when you purchase one ēsa ST Economy Pack (1,000 disposable prophylaxis angles). Backed by a two-year warranty, the lube-free ēsamate weighs just 2 ounces! So, by spending around \$500, you get a state-of-the-art \$400 handpiece FREE!

Using ēsa with your FREE ēsamate handpiece lowers your infection control burden. No need to sterilize or repair straight nose cones, so you have more time for

patient care. And consider the savings for pouches and plastic sleeves alone! Plus, the lightweight combination of ēsa and ēsamate may just make wrist fatigue a thing of the past.
